If you had a choice for a type of reimbursement, what did you select and what did you decline?

Reason(s) for Cancelling, (Pick One):

By checking the box "I understand" and signing below, I agree and I understand and accept that vendor penalties, terms and conditions may apply. I understand that if I voluntarily cancel a trip/sailing, and the vendor later suspends (cancels entirely) that same trip/sailing, any compensation offers that become available at that time will not apply to me retroactively. I understand that if I had a choice to accept either a future travel credit or a refund, that this choice is final and cannot be changed later. I understand that if a future travel credit is selected and applied to a future trip, and then that trip is canceled, my only option will be another travel credit. I understand and accept that certain MGA Travel components that include tours, transfers, hotels, or motorcoach packages are nonrefundable, including Graham Tours. They remain nonrefundable even if another related component of the overall itinerary, such as a cruise or vacation package, is suspended (canceled entirely) by the vendor or voluntarily cancelled by myself. I further understand and accept that if I voluntarily cancel any travel component(s), that I cannot retroactively change that decision, even if another party causes the cancellation in the future and/or offers a refund for that portion of the travel.
