MGA Travel - Travel Insurance or Waiver Form Gourmet Systems LLC dba Michael Graham & Associates "MGA Travel"

Travel insurance or protection provides a valuable benefit to protect you from the unexpected. We want to ensure that your travels are only filled with happy and memorable experiences. For that reason we will need you to read and understand the insurance offers your advisor has quoted, whether from the vendor or a third party such as Allianz.

Most travel companies, including cruise lines, resorts, tour companies, hotels, excursions and more have penalties for canceling. Often these penalties can be 100% of the total trip cost nonrefundable. Of course no one plans on cancelling a trip when they book it, but things do come up unexpectedly. Depending on your policy type, these penalties can be reimbursed to you for many covered reasons.

After you depart on the trip, this cancellation insurance converts into emergency medical, emergency evacuation, trip interruption, lost baggage insurance and more, as shown in the quote.

We strongly recommend that you purchase travel insurance. If you choose to decline all offered protections, you assume any and all personal and financial losses.
