

Book on Board

TRAVEL

ADVISORS

Did you know that booking your next cruise while on board is often the best way to get the best deal that might otherwise be unavailable?

Some additional incentives onboard can include:

- Often onboard bookings are eligible for a one time change of sailing date before final payment
- Often onboard bookings come with a best price guarantee
- You may be able to make up to 3 bookings for yourselves, friends or family
- Often you may get a Reduced Deposit and/or Shipboard credit, depending on the cruise line
- Most other current promotions are typically combinable
- You are able to handpick your Stateroom or Suite from a larger selection of inventory

If you decide to book on board, MGA Travel will be notified and credited immediately. However, it is important to confirm this, so please notify the on board sales counselor and present them with this letter so that they have all of the details.

Ask them to please put this booking under the agency phone number **843-279-0310**; and if asked, the Nexion IATA **45613433**.

When you return, please send your particular MGA Travel advisor the confirmation number you received when you booked on board to ensure that the onboard sales counselor did everything properly and that our agency can review for accuracy and properly service your reservation.

Thank you!

Sincerely,
