Be sure to review this packet in its entirety, and advise us of any necessary changes immediately to avoid any change fees or vacation interruptions:

- Look over your vacation details: the dated itinerary, insurance information, any extra nights you may have requested, and other details, to ensure that we've covered everything you need for your vacation.
- You have requested your beds together for your room configuration. Avalon will make efforts to accommodate this request throughout your vacation though it is not guaranteed. Requests are subject to availability at time of check-in and may not be available in all hotels. Beds together are double bed or larger, able to accommodate two people. On Avalon ships and in some hotels this most likely will be two twin beds pushed together.
- Additional advisements may be sent to you.
- Children must be at least 8 years old to travel. There are no child discounts available.
- Confirmation of hotels will be available approximately 30 days prior to departure. In the event of additional departures on the same date, or other events that may result in the unavailability of hotels as listed in the tour descriptions, the accommodations substituted will be equivalent in standard.
- In the event of water level problems or maintenance on the locks on stretches of any river, it may be necessary to operate part of the itinerary by motor coach or alter the program, including hotel overnight when necessary.
- Included visits and special features are subject to change. If a change is necessary, a substitute will be offered.
- Prior to departure, we recommend reading country-specific information on the U.S. Department of State ([www.travel.state.gov](http://www.travel.state.gov)) or the Government of Canada (<https://travel.gc.ca>) or the Government of UK (<https://www.gov.uk/foreign-travel-advice>) website (depending on your country of citizenship). These are good places to learn about the destination you will be visiting, and include information about passports and visas, destination descriptions, safety and security, travel advice/advisories, alerts/warnings, vaccinations, and more. For citizens of other nations, we recommend you consult your local consulate for travel information, regulations, and requirements.
- If booking in either the Expression cabin D-107 or the Artistry II cabins D-111 or D-112, bed configuration is limited to TOGETHER.
- Full passport details are required no later than final payment for all guests traveling internationally.
- All guests traveling internationally are required to have a passport. Responsibility for meeting the entry/exit requirements (passport validity/blank pages, visas etc.) rests with the guest. Please review the Entry/Exit information included in your Travel Packet carefully for full details about entry and exit requirements specific to your tour. Globus family of brands is not responsible if you are denied entry or exit due to entry/exit requirements not being met.

### TSA Wait Times

Long delays for getting through TSA security have been cited at most major airports over the past few weeks. Although TSA has announced steps being taken to remedy this problem, it is recommended that passengers arrive for their flights 2-3 hours prior to departure to ensure enough time to clear security.

### Luggage Restrictions

Porterage at hotels is included for one piece of luggage per person (when portorage is available). As a general guide your one piece of luggage should not exceed 30x21x11 in. (76x53x28cm), or 50 lbs. (22kg). We are unable to accept a second piece of luggage or any luggage exceeding these limits. If you are traveling with more, please make arrangements for storage while on vacation. Airlines may have other restrictions.

### Terms and Conditions:

Please review the Terms & Conditions for this travel package online at <https://www.avalonwaterways.com/terms>. The Terms & Conditions include details of what you can count on from us, your rights and obligations, and our revision fees and cancellation penalties. Receipt of the non-refundable deposit or payment of the vacation is confirmation that you have reviewed and agreed to these Terms & Conditions.

## Visa Reminder

A visa should not be needed for your vacation, however please refer to your local consulate(s) as countries continually change requirements.

Vacations can be disrupted or have to be altered altogether if the correct documents cannot be supplied at airports or borders, so check very carefully that you have the required papers. These matters generally cannot be settled on-trip.

### Other Entry Requirements/Documents

All guests traveling internationally are required to have a passport. Passports should be valid for six (6) months beyond the conclusion of your trip, with a minimum of three (3) blank pages for stamps and/or visas. Most countries have laws that require you to carry your passport with you at all times. Responsibility for meeting the entry/exit requirements (passport validity/blank pages, visas etc.) rests with the guest. Check your government's foreign affairs/travel advice website or a local consulate/embassy for the most current entry/exit requirements.
